NOTES:

1. SINRO VALVES AND REPLACEMENT PARTS ARE NO LONGER AVAILABLE. THE MOTORS LISTED ABOVE CAN BE USED ON SINRO AND ERIE VALVES. IF THE MOTOR ALONE WILL NOT SUFFICE, THEN REPLACE A SINRO VALVE WITH THE APPROPRIATE VOLTAGE OF THE SWEAT ERIE VALVE. DO NOT ATTEMPT TO REPLACE A SINRO WITH AN IFL ERIE VALVE. REFER TO 2009 FIELD NOTICE 294-K09 FOR MORE INFORMATION.
2. ACTUATOR NOTE: ERIE IFL AND SWEAT VALVES USE THE SAME ERIE ACTUATOR.
3. SIZING NOTE: 1/2" SWEAT VALVES FIT 5/8" OD COPPER TUBING. 3/4" IFL (INTERNAL FLARE) VALVES FIT FLARED 5/8" OD COPPER TUBING. 1" SWEAT FITS 1-1/8" OD COPPER TUBE.
4. ERIE/INVENSYS/TAC NOTE: ERIE, INVENSYS, AND TAC ARE DIFFERENT NAMES FOR THE SAME VALVE MANUFACTURER AND SAME VALVES.
5. MOTOR ONLY NOTE: "MOTOR ONLY" PART NUMBERS REQUIRE THE ACTUATOR TO BE OPENED AND THE MOTOR ITSELF REPLACED. THIS IS NOT AN EASY OPERATION, ESPECIALLY IF THE AIR HANDLER IS INSTALLED. WE RECOMMEND REPLACING THE ENTIRE ACTUATOR INSTEAD. EXCEPTION: IF YOU HAVE A SINRO VALVE, IT IS EASIER TO REPLACE THE MOTOR THAN TO REPLACE THE ENTIRE VALVE. AIR HANDLERS BUILT BEFORE 2000 MAY NOT HAVE REMOVABLE ACTUATORS. IN THAT CASE, REPLACING THE MOTOR MAY BE PREFERABLE TO REPLACING THE ENTIRE VALVE.

PRODUCT CANCELLATION POLICY

Dometic manufactures a broad range of products that are made available to our extensive customer base in two distinct categories:

1. The Majority of our sales volume is derived from products that are ordered on a consistent basis and therefore are placed into our Stocking Profile Matrix (SPM). These items are classified as Standard/Stock because we generally have multiple customers for like items and we produce these products on a continuous basis.

2. We also offer for sale, a wide variety of products that do not meet the criteria for SPM but we have established part numbers along with current pricing for them. These products are manufactured as the result of a specific customer's request and are only built to order. To distinguish between SPM products and these products, we classify them in our computer system as Active Special Order. So that we continue to meet the demands of all customers and stay flexible with our manufacturing mix, these products are only built to order.

In order to ensure that we make the best use of our resources, we find it necessary to establish a firm order cancellation policy and in some cases request a deposit before an order is started in manufacturing.

Any product ordered that is categorized as "active special order" will be considered non-cancellable. In addition, we reserve the right to request a deposit on any order that contains items that are designated as "active special order". The status of all parts can be viewed on the E-Dometic website at anytime.

How does this work? Once the order is acknowledged, a deposit is received (if requested) and the parts ordering/manufacturing process is started, these items are non-cancellable.

An exception to the above is the process of Custom Wood Grilles and Custom Plenums. These items can be cancelled up to 5 business days prior to scheduled ship date.

Definitions:

1. Stocking Profile (A)

Products that are regularly sold and have activity at least 8 of the last 12 months and sold to multiple customers.

2. Active Special (AS)

All items sold or used less than 7 out of the last 12 months or sold only to a single customer.

3. Obsolete (K)

Items with no history in the past eighteen months.

All order confirmations clearly indicate if an item ordered is a special order. If you buy direct from Dometic you have access to our E-Dometic site that shows the status of all parts. If you purchase through a dealer or Distributor please contact them in advance of placing your order if you are uncertain about the status of the part you are ordering and have them confirm the status for you.

AUTHORIZED INTERNET RESELLER AGREEMENT PROGRAM

Dometic Marine is planning to establish an **Authorized Internet Reseller Agreement Program**. This program will encompass certain products listed in this Price List, as well as certain other customer-specific items that are included in the Excel Spreadsheet version that is available with this book.

If you resell our products online, this policy will apply to you.

Dometic Marine and our dealers have invested years in training and installation techniques to ensure optimum product functionality and longevity. The majority of our products are not “do-it-yourself” items. Therefore, to ensure proper installation we will take the following steps:

- Any and all resellers that want to sell the Dometic Products authorized for sale online will be required to sign and adhere to an Authorized Internet Reseller Agreement. This document will define:

- The specific products permitted for sale online*
- The specific URLs/Marketplaces approved to sell these products
- The term and territory of this authorization

* The majority of the products in this book will **NOT BE AUTHORIZED** to be sold on the internet. While Dometic reserves the right to make changes, we anticipate authorizing only a small number of product categories.

- Anyone wishing to resell any of the Dometic Marine approved products over the internet will need to sign an Authorized Internet Reseller Agreement with Dometic.
